

The Last One!

Do not write your name on the assignment. Write your name only on the back of this sheet of paper and staple your answers on the front of this sheet of paper. Failure to follow these directions will cost you 1 point on the assignment.

- 1) (15 points) The most common way to measure the development of a country is GDP per capita. Explain why this is a poor measure.
- 2) (20 points) Explain how gender disparity causes additional problems.
- 3) (25 points) What is Dependencia Theory? Do you think it is valid? Explain your logic.
- 4) (20 points) Why is a limited range of exports a problem for development? What could be done to change that? How would your proposal improve the situation?
- 5) (20 points) Why is a low savings rate a problem for development? What could be done to change that? How would your proposal improve the situation?
