

Place your name on the back of this sheet of paper and nowhere else. Staple your answers face up on the front of this sheet of paper. Failure to follow these directions will cost you 10 points. Your assignment will be typed, except graphs can be drawn by hand and mathematical equations can be done by hand. Failure to type it will cost you 10 points. If you use double-sided printing or print on the back of scrap paper, I will give you one additional point.

1) (25 points) What is the most common type of ownership of large companies in the Anglo Model? What is the greatest advantage of that style of ownership? Explain your logic. What is the greatest disadvantage of that type of ownership? Explain your logic.

2) (25 points) What is the most common source of funding for investment in the Asian Model? What is the greatest advantage of that type of funding? Explain your logic. What is the greatest disadvantage of that type of ownership? Explain your logic.

3) (25 points) What is the most common form of legal system in the European Model? What is the greatest advantage of that style of legal system? Explain your logic. What is the greatest disadvantage of that style of legal system? Explain your logic.

4) (25 points) What is the most common role of government in the European Model? What is the most common role of government in the Asian Model? Which do you think is better? Explain your logic.
