

Do not write your name on the assignment. Write your name only on the back of this sheet of paper and staple your answers on the front of this sheet of paper. Your assignment will be typed, except graphs can be drawn by hand and mathematical equations can be done by hand. Failure to follow these directions will cost you 1 point on the assignment and failure to type it will cost you 10 points.

- 1) (15 points) Why do you think that China has remained communist successfully when Russia did not?
- 2) (35 points) What do you think is the greatest problem facing China today? What would you do about that problem? How would your proposal have the desired effects?
- 3) (25 points) How has China become more capitalistic? Do you think their method of blending communism and capitalism will work in the long-run? Why or why not?
- 4) (25 points) What was the *Great Leap Forward*? Do you think it is an appropriate or inappropriate name? Explain your logic.
