

Do NOT write your name anywhere. (Canvas will tell me who turned in the assignment.) All answers must be typed, except for mathematics and graphs. Take pictures of your written answers and use your own software or to create a single PDF size A4 or 8.5" x 11". At the top of my [webpage](#), I list several online sources which will convert pictures to pdfs, merge pdfs, and resize them. However, Apple phones may require using [CamScanner](#) before using the online sources. Failure to follow these directions will cost you 10 points.

- 1) (20 points) What is the most common way to finance a new company in the Asian model? What is the greatest strength of that form of finance? What is the greatest weakness of that form of finance? Explain your logic.
- 2) (15 points) Do you think the European model of capitalism is more like what Smith or Hobbes would approve of? Explain your logic.
- 3) (20 points) Explain the differences between common law and civil law. Which do you think is better? Explain your logic.
- 4) (15 points) Venture capitalists who take over other companies have a bad reputation. However, they are good for the economy. Explain how they help the economy.
- 5) (20 points) Which of the three models, Anglo-Saxon, European, or Asian, do you think would be best at the outcome of *environmental sustainability*? Explain your logic mentioning why that model would be good at it, but the other two would be weak at it.
- 6) (10 points) Why can it hard to determine which model a country fits into at times? Explain your logic.
